

Declaration of REACH Conformity

Regulation (EC) No 1907/2006 — SVHC candidate list February 2026

KE-REACH · R: 09 | A: EN | V: DU | D: 08_26

Confirmation of conformity: We, Rainer Schneider Kabelsatzbau und Konfektion GmbH & Co. KG, comply with all obligations under the REACH Regulation (EC) No 1907/2006, including the supply-chain information duties under Article 33.

This declaration is based on the SVHC candidate list as of 4 February 2026 (253 entries). Individual products may contain SVHC substances above 0.1 % w/w — Art. 33 information is provided on an article-specific basis (section 2).

Regulation (EC) No 1907/2006 (REACH) governs the registration, evaluation, authorisation and restriction of chemicals in the EU. For articles, the information duties on substances of very high concern (SVHC) of the Art. 59 candidate list and the Annex XVII restrictions are decisive.

1. SVHC candidate list (status)

As of 4 February 2026, the ECHA candidate list comprises 253 substances; it is usually extended twice a year (most recently n-hexane and bisphenol AF and its salts). Current list: echa.europa.eu/candidate-list-table.

2. Information duty under Article 33

All products containing an SVHC of the above candidate list in a concentration above 0.1 % w/w at article level are identified in our business documents (delivery note, order confirmation, quotation, invoice) with substance name, CAS number and concentration.

We do not issue a blanket statement that our products are generally free of SVHC substances — the article-specific identification on the said business documents is decisive.

3. SCIP database

Articles containing an SVHC above 0.1 % w/w are subject to notification to the ECHA SCIP database (Art. 9(1)(i) of Waste Framework Directive 2008/98/EC as amended by (EU) 2018/851). Where such a duty applies to an article, we fulfil it on the basis of the SCIP dossier numbers of our upstream suppliers. Whether a notification duty applies is assessed article by article as part of our material compliance process.

4. Annex XVII restrictions

According to the information available from our suppliers, our products comply with the restrictions of Annex XVII of the REACH Regulation. We will give timely notice on our website of any changes affecting our products.

5. Data basis

This declaration is based on data from our supply-chain partners; no express or implied warranty is associated with it. We will update the declaration in the event of changes to the legal situation or new findings from the supply chain.

We maintain a regular dialogue with our suppliers in order to react to future substance restrictions. We reserve the right to update this document; current versions are available at <https://schneider-kabelsatzbau.de/downloads>. For questions on substance restrictions or specific articles, contact us at compliance@schneider-kabelsatzbau.de.
